## Planning Priorities - 2024

ISSUE	What have we missed or need to recategorize?	Is someone taking care of this? Who? Can we support?	Not for 2025 legislative session but is there potential follow-up we can do?	Keep as a potential for us for our 2025 leg issue and examine it further later
Transportation and Transport	Volunteer Workforce- collaboration - multiple issues peer support - regional- interstate - reimb. for local investment, eg. hospitals - geographic distinctions	Engage with other regions/boards		5
Crisis Response & Stabilization	funding/training expense /crisis holds, longer term support/staff / tribal & local -			1
Access to Care & Services	Insurance - barriers-paneling / Licensed Clinician shortage - training and oversight (telehealth/in-person agency - differential/reim b - MH courts .			4
Training and Education	funding/training expense - MH crisis - hospitals and law enf.			
Youth, Parenting Support, Family Systems & Engagement				
Workforce Development	Licensed Clinician shortage - providers - recruit, educ./training, retention - review bills on	Collaborate and support with BeHere NV - ongoing funding - gaps, loss, shortages - interstate compact SW	Priority and not just BDR - support Interim HC - training and interns - challenging but they move on.	Letters of support - interstate compacts - nurses, SW, counselors - expedite people who want to relocate - watch leg. process and notices -
